This course includes assisting with WHS compliance, implementing risk assessment controls, identifying hazards and implementing WHS continuous improvement.

The course applies to those working as supervisors, WHS personnel, and workers in other WHS related roles who manage risks effectively, apply relevant WHS laws, and contribute to WHS within the workplace.

- Take your leadership skills from team member to workplace supervisor.
- Understand Work Health and Safety (WHS) responsibilities to improve consultation and participation.
- Improve your knowledge for a safe workplace and to comply with all the relevant WHS regulations.

*\* This training may be subsidised by the NSW Government through the Smart and Skilled program. Training under NSW Fee Free is fee free and fully funded by the NSW and Commonwealth governments'.*
